### Child protection: procedure for parents

I am worried about my child or another child in the school.

I am concerned about the safety of my/a child.

I can speak to the class teacher.

If I am still worried, I can talk to the teacher responsible for child protection (Mrs Watson) or her deputy (Mrs Monteith).

If I am still worried, I can talk to the Principal (Mr Moore).

If I am still worried, I can write to the Chairperson of the Board of Governors.

I have the option of contacting the local child protection team (0300 1000300) or the PSNI (028 9025 9299) at any time.
